

3M Goggle Gear 500 Safety Goggles, Scotchgard Anti-Fog,

Model: GG501SGAF-EU

Product Details

- Modern slim-line and lightweight design for an excellent fit
- Easy-to-adjust elastic Nylon headband for stable and comfortable wear
- Pivoting ratchet for convenient personal adjustment
- 3M Scotchgard Anti-Fog Coating provides superior anti-fog and anti-scratch properties, complying with K&N marking requirements of EN166
- Coating retains its effectiveness even after multiple washes, can be disinfected with diluted bleach soaking or alcohol wipes without losing its anti-fog performance
- Special 3M™ Goggle Gear prescription insert available
- Offers excellent protection against UV radiation

3M Goggle Gear Safety Goggles 501 have a low profile design, Clear Lens, adjustable headband and optional prescription insert. The goggle is available with a 3M Scotchgard Anti-Fog Coating which resists fogging longer than traditional anti-fog coatings.
